Letter from the Operations Director

Dear Animal Lover,

This year has been extraordinary! In 2022, we were able to make a huge impact on the lives of dogs and cats who desperately need us. That means ALL of us. You – our community of support, our adoption families and everyone who makes it possible for our shelter teams to provide care.

Transports continue to be a crucial part of our accomplishments. We're able to bring large groups of puppies, kittens, dogs and cats over from kill shelters, at times, only moments before they were going to be euthanized. Your donations help to keep transports like this filling our shelters with adorable and deserving adoptees, ready for forever homes and happy lives!

The support we receive also continues to fund the much-needed care of the animals that enter our shelters. This includes spaying, neutering, vet care and nutritional needs.

We ask for you to continue to connect with us on social media, emails, at our shelters or at community events. Stay updated on upcoming events and fundraising opportunities on our website. Our foundation and successful care of the animals at The League is rooted in the community, with all of you.

Thank you!

Gabby Glantzman
Operations Director

Message from the Board President

We have been pleased to receive your support in our goal to rescue and care for the animals of Southold and Riverhead. We are blessed and proud that we are able to rescue animals from kill shelters in other parts of the country. Many thanks to the community for support going back to our founding in 1962. Without your help, we would not be able to grow and continue our mission, "...to inspire compassion for all living things, to provide shelter to animals in need, and to promote adoptions, animal welfare, and responsible pet ownership in our community."

We are here not just for the animals that need shelter, but for the pets of community members. Our pet food pantry has been busy, as these are challenging times, and we will continue to offer that support to the public.

Our new facility in Riverhead Town (Aquebogue) is a marvel. Cats are now being cared for in both locations. Providing for our feline friends in Riverhead has been a bonus to what we do. We invite all of you to visit either shelter location.

There is still much to accomplish. Recent years have been arduous ones for animal rescue. Operational, veterinary care and medicine costs have increased. Even the smallest of donations help us to cover the increases. Your support can mean the difference for each furry friend we help. By donating, you are directly helping us meet their needs while we help them find their forever homes. Please join us!

Sincerely,

Karen J. Hagen
Board President

How You Can Help

Donate

Every dollar helps a great deal. Did you know that \$250 helps to get each animal ready for adoption?

We even have an

amazonwishlist

Volunteer

Help care for the animals and enjoy a flexible schedule. Visit our website for more details, or to fill out a *Volunteer Form*.

Attend a fundraising event.

Stay tuned on our website, social media and via email to find out what we have going on and be a part of our community of support.

We have programs to help our dogs get a break from shelter life. Inquire about opportunities for you to help them, through mini-vacations and our foster program.

Foster care & more...

Participate by being there.

That's it. Tune in. Comment on social media. Read our emails. Anything you can learn, support or share is a tremendous help to us.

Keep in touch. We love to see you showing up for these dogs and cats at The League. Thank you!
